

REMARKS/ARGUMENTS

Claims 1-19 are in this case and no amendments to them have been made by this paper.

The amendment to the specification corrects an obvious typographical error on page 3 respecting nineteen (19) items which summarize the instant invention. It may be noticed that the nineteen items correspond to the nineteen claims in the case. Therefore, the language of the corrected eighth item is essentially the same as that for Claim 8.

No new matter is believed to have been added.

An action on the merits and allowance of the claims is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
